For sure! I would like to see what you're planning to put in the frame first. Also, Lorena said that she would reach out to Mike Powers of the DoubleTree to see what he preferred (as far as a pole or placed on the tree). I think the same needs to happen with Jonathan at the Iowa. June 30th - I'm available up to 1pm that day

We are thinking of June 30th to install the trolley cut outs and trolley schedule signs (these just came in.

Can you be available to guide Randy on the day we install these. Also we have to get a pole in the ground at the Iowa and DoubleTree (unless you want up in the tree).

Let me know your thoughts, we are heading towards the finish line!

Thank you!
